Notes for Edward Everett Burr:

Best known for designing the Arkansas Centennial half-dollar, Edward Everett Burr was a commercial artist, sculptor, and art professor. Raised in Paragould (Greene County), he spent most of his career in Chicago, Illinois. Everett Burr was born Jan 18, 1895, in Warren County, OH, to George and Virginia Burr; he had two siblings. Burr's father practiced law in OH but moved to Paragould in 1905. In 1915, two days after Burr's twentieth birthday, his mother died. His 1917 draft card shows him living in a boarding house in Detroit, MI. His trade was motor building, but he was unemployed. In 1923, his father became a Methodist minister, serving a number of communities in northern and western Arkansas. Burr enrolled at the Art Institute of Chicago, where he studied in the 1920s with Leopold Seyffert, a society portraitist, and Albin Polasek, an academic sculptor. By 1926, Burr's work was being exhibited at the Art Institute of Chicago and, in 1927, at the Illinois Academy of Fine Arts. In 1930, after the Depression hit, Burr-thirty-five, single, and working in advertising graphics for a printing firm-was living in Chicago with a motley group of lodgers. In 1931, he participated in a show sponsored by the Renaissance Society. Two works, a self-portrait and Plenty, were shown at the Century of Progress Exhibition in 1933, and he received a prize from the Art Institute of Chicago that same year. Meanwhile, the Arkansas Centennial Commission was planning a gala celebration of Arkansas statehood and wanted to sell a commemorative coin to fund it. Burr won the contest to design the coin, but the federal Commission on Fine Arts rejected his proposals in Jul 1934. After much negotiation, approval finally came in Mar 1935. The reverse of the design was later used for a half-dollar honoring Senator Joseph T. Robinson. In 1946, Burr married Margaret Love Stewart of Memphis, TN. She helped him publish Show-Card Making Simplified (1951). Teaching occupied most of Burr's time, but his Portrait of Robert P. Hackett appeared at the Chicago Artists' Exhibition in 1958. Burr retired from teaching in 1963. They had no children. Body donated to science.

Juliet Kelly⁹ Hamlin (Richard Francis⁸, Peter Stainback⁷, Thomas⁶ I, Charles⁵ II, Charles⁴ I, John³ II, Capt John S², Stephen¹ Hamlyn I) was born on 19 Feb 1877 in Calloway County, Kentucky, USA. She died on 11 Jan 1960 in Calloway County, Kentucky, USA. She married **Milton Diltz Holton**, son of Henry E Holton and Harriet Broadwell Diltz, on 25 Jan 1899 in Calloway County, Kentucky, USA (this marriage ended upon her death 1886). He was born on 27 Oct 1869 in Mount Sterling, Montgomery County, Kentucky, USA. He died on 07 May 1948 in Calloway County, Kentucky, USA.

Notes for Milton Diltz Holton:

M. Diltz Holton was born at Mount Sterling, KY, Oct 27, 1869, the son of Mr and Mrs Henry E. Holton, deceased. His education was acquired from the public schools of Moscow, OH, Germantown and Murray, KY. Leaving school at the age of sixteen he was employed on his father's farm near Padauch until 1888. In this year he became shipping clerk for a tobacco warehouse at Paducah, and remained with that firm for two years, leaving it to go with a dairy and creamery concern at Paducah, and then, in 1892, he went to Amarillo, TX, when it was a cow town and worked in a general store for a year. In 1894 he came to Murray and was admitted to the bar, having been studying law during his leisure for some time. For a year he was engaged in the practice of his profession, but did not find in it any more than he had in his former occupation. His talents leading to insurance he took up that line of work and has followed it exclusively for many years, at the present time being one of the leading life insurance agents of Kentucky.

Jan 25, 1899, Mr Holton was married to Miss Julia Hamlin, a daughter of Judge R. F. and Laura Hamlin, both of whom are deceased. He was a one time county judge of Calloway and early in his life was a prominent educator.

Mr and Mrs Holton are the parents of four daughters, namely, Mrs Hattie McConnell, wife of Presbyterian minister and residing in Fort Worth, TX; Mrs Roberta Sudhoff, wife of prominent Cincinnati merchant; Miss Anna Diltz Holton, music instructor, and Miss Juliet Holton, student in Murray State Teachers College.

Diltz Holton is a prominent and successful insurance man, but finds time to do his bit in everything the rebounds to the interest of his community and his fellowman. He takes the time to do the things that should be done, whether he has the time to spare or not, and without a cent of compensation at that. Possessing as he does liberal views and a public spirit, he has been able to give much to Murray and has quickened into intense activity a local pride that is having remarkable results.

William Thomas left Sallie when the children were very small. She later (35 years) married William's brother, James Parker (27) who helped her rear the two children. (Mrs Laura Brown Raney Tucker). Around 1928, Sally (Braswell) Parker made a trip from her home in Texas to New Concord, KY. She purchased small markers to be placed at the graves of her mother and some of her siblings in the New Concord Cemetery. She was familiar with the burial area and enlisted the help of John O. Braswell and his school friend to probe the ground with sharpened poles and shovels to locate soft spots and outline the actual grave sites. She then had the

boys place the markers correctly. John, then about 14 years old, told me that it was a strange experience. Family oral history: Sally made at least one trip, perhaps the above one, to and from Texas to Kentucky alone in a covered wagon. This was quite unusual in the days of trains and some automobiles. It must have taken several weeks. Perhaps she brought the grave markers with her from Texas in which case she might have needed a wagon. become its assistant president pro tem. For the next 24 years, McCuiston served alongside Bruce. "He never did brag about any of the things he did. He was that kind of man," Bruce recalled. "Pat was loyal to Hopkinsville and Murray State University." In fact, McCuiston, a 1939 Murray State graduate, once served as president of the MSU Alumni Association - as well as top positions in the Kentucky Bankers Association, Woodmen of the World Life Insurance Society and the Rotary Club. Bruce said McCuiston probably entered public service because "he liked to be involved." "He knew that's where the action is," he said laughing. As a result of his service, McCuiston earned the Ned Breathitt Award, given annually to a local Democrat in recognition of his or her party recognition. Jack I. & Dora B. Hamlin Endowed Chair in Piano

Jack Hamlin has always loved music and while in high school he took lessons on the cornet and the piano. When it came time for college, Jack intended to complete a music degree at Northwestern with the music scholarship he had been offered. That changed when his teacher that summer suggested that Jack "forget music and go to business school." What a great piece of advice that was. Jack did, indeed, attend the IU School of Business, but he also played first chair cornet in the Marching Hundred and was ROTC band captain while completing his business degree. Jack, and his wife Dora, whom he met while at IU, think that was the best of both worlds. When Jack graduated in 1943, his entire class at the School of Business left together to serve in WW-II. Since they had training in business, the whole group was assigned to the Quartermaster Corps. Jack stayed in the military, eventually serving in both Korea and Vietnam, retiring as a Colonel in 1969. He completed an MBA at Ohio State University while in the service. Following military retirement, Jack spent several years as the vice president for personnel for Peoples Drug Stores. All the while, Jack enjoyed the piano and his music. Throughout their married life Dora has been heavily involved with the art of handmade quilts. She is a well-known quilt appraiser and has arranged for the purchase of quilts by the White House and the State Department as well as by well known individual collectors. She is presently the quilt buyer for Liberty of London and has presented quilts at decorator show houses for both the National Symphony Orchestra and the Baltimore Symphony. In 1993 the Hamlin's created a charitable remainder unitrust ("CRUT") to support the Jack I. and Dora B. Hamlin Chair in Piano at the IU School of Music. To further support the Chair, they recently completed a charitable gift annuity ("CGA"). Payments from both the CRUT and the CGA will go to Jack and Dora for their lives. The CRUT also has a beneficiary provision that allows their daughter, Christie, to receive income for her life as well. The remainder of both these gift instruments will then provide generous support for the School of Music. Acclaimed pianist Andre Watts now sits in the Hamlin Chair. Jack and Dora look forward to visiting Bloomington in the fall to meet him. It is through the support of

Generation 10 (cont.)

people like the Hamlins that the School of Music can bring the finest teachers in the world to Bloomington. We are blessed by their support.

Notes for Adelaide May Mabry:

By Claude A Flory:

Also known as Adele or Adeline. Ida Mae (original name) was adopted by family named Welch at around age 3, name changed somewhere to Adalala. There is an Ida M. Welch, age 9, in Detroit in the 1900 census with family of Melburn E. and Connie Welch. There is an Ida Mabry in 1910 census who is black and a servant in household of John and Leah Welch. She is 17 years old with birth in Michigan and parents both from Indiana. The 1910 census is more likely to be Adelaide May Mabry than the one noted for the 1900 census. In 1920 census she gives parents origin and language as England and Spanish for her father and as Spain and French for her mother. This may be her adopted parents, although it does not match either of the possibilities noted from the 1900 and 1910 censuses. The 1920 census gives mulatto as her race. She was confined to sanatorium for TB early 1920s, her husband placed some of the children in St John's orphanage {now D. A. Blodgett}, Grand Rapids. Adalala, who was a terror, retrieved children in their teens.

Notes for Emory Frederick Crain:

By Claude A Flory:

1910 census: Living in Reed, MI and working as a street laborer.

1920 census: Laborer in a livery stable living in Reed City. Sheriff in Reed City.

Administering first aid to the wounded in the vicinity of St Pois, France, while subject to heavy enemy fire, his heroic action was definitely responsible for saving the lives of four of his comrades. His courage and gallantry won for him both the Bronze Star and the Silver Star

She married **Vernon Habakkuk Margot**, son of Francis Phillip Margot and Ellen Josephine Beals, on 30 Oct 1919 in Allegan, Allegan County, Michigan, USA (Clerk's office). He was born on 11 Mar 1896 in Allegan County, Michigan, USA. He died on 22 Aug 1984 in Allegan County, Michigan, USA.

Notes for Shurley Hazel Hamlin:

Vernon Margot was born Mar 11, 1896 to Francis and Ellen Beals Margot. Shurley Hamlin Margot was born Apr 21, 1899 to Benjamin and Floy (Varrill) Hamlin, both in Allegan County. Vernon's family lived on Lakeshore Road in Ganges Twp and Shurley's family lived several different places, mostly in Allegan County, during her childhood days. The family moved so many times that she said she never wanted to move again, and for the past 68 years, her wish has come true as she has lived in the same house. Vernon was in the army during WW-I and served in France. He was always recalling tales of his service days, so that was a very memorable time for him. Oct 30, 1919 Vernon and Shurley went to the Court House in Allegan to get their marriage licens, and since a local minister was roving the halls, he stepped into the County Clerk's Office, and they were married. They thought they were surprising everyone, but a local bachelor and soon-to-be neighbor happened to be in the Court House that day, so the word got out quickly. Sherm Walkley, from Glenn took them to Saugatuck where they boarded the interurban to Holland then took a train to Grand Rapids, where they spent their one night honeymoon at the Herkimer Hotel. The next day they took the train to Grand Junction and transferred to another going to South Haven where they lived for a few months. Vernon worked in a foundry in South Haven and Shurley kept house and took care of her younger sisters while her father was gone. In Feb 1920 they moved to their present home which was next-door to Vernon's mother and that summer raised a crop of big cucumbers which paid for their farm. Vernon also helped out at Hawley's Nursery in Fennville where he learned how to grow nursery stock. He started out growing his own fruit trees and planting orchards. Gradually, other farmers wanted him to grow them some fruit trees, so that was the beginning of Margo's

In 1952, after a series of illnesses, Vernon semi-retired from farming, and a few years later their son-in-law and daughter, Al and Marion, bought the farm. Vernon continued to help out on the farm for many years. He died in 1984 at the age of 88. Shurley continues to live in their family home and she too has had serious illnesses, but is now very well and will soon be celebrating her 89th birthday. He valued self-reliance, reliability, optimism, independence, and humor, a chance to show off his "Hamlin chin." Above all, he valued productivity, integrity, forgiveness, and well-being. He was the sole designer, engineer, and fabricator of a machine that produced part of the 3M Bair Hugger Warming Blanket that has widespread use in healthcare around the world, both for humans and animals. He loved decorating seasonal cookies with his granddaughter and shared a love of trains with his grandson. He spent hours working in his shop, where he created his many projects including the family dinner table, an anniversary gift to Carol. Greg and Carol spent countless hours in their living room after long days of work, comforted and content in each other's company. - Notes for Kathleen June Nickell:
Life long resident of Colorado, Kathleen June Hanan died Jan 11, 2016 in Colorado Springs after a courageous 22-year battle with ovarian cancer. June was born Jun 1, 1940 in Genoa, CO. Her parents Robert Fay Nickell and Hazel Emerson (Hamlin) Nickell lived south of Last Chance, CO. where she grew up. June graduated from WoodrowHigh School, ventured out to Denver then California for a short time then made it back home to Last Chance and married Aden D. Hanan from Fredericksburg, IA in 1961. They settled down in Colorado Springs raising their three children. Her duties of being a mother took most of her time but she went to work for NCR in 1975, and then advanced to QA supervisor at INMOS a computer chip company in the 80s. She was very proud that she went from a stay at home mom to making a difference in the work force. With a little investment and lot of hard work, and determination, she moved back to Brush and opened Coyote Heaven Bar and Grill in Hillrose, CO. Business grew and Wed nights there was a line out the door for her smothered burritos. Few years later she was offered to manage The Hill restaurant just east of Brush at the sale barn. With a successful restaurant and bar business, the opportunity presented itself and she purchased a little restaurant and bar located between Brush and Ft Morgan on Hwy 34, and aptly named it Lute's, after cowboy legend and family friend Lute Davis of Brush. Not short on personality or sense humor. All who knew her loved her. People came from miles around not just for her great cooking but the friendly atmosphere. She would draw you in with her heart felt smile and keep you there with her laughter. Family was the most important thing to her and if you were a friend she made you feel as though you were family. June was preceded in her journey by her parents Robert Fay and Hazel Nickell, her brothers Robert (Steve) Nickell, Bruce Nickell, and her sister Joan Harmon and her husband Aden D. Hanan. She is survived by her daughter Lisa L (Hanan) West and son-in-law Ritchie L West of Hong Kong, daughter Angela M (Hanan) Vick and son-in-law Roger Hamilton Vick of Colorado Springs. Son, Ernest M Hanan and daughter-in-law Paula J Hanan of Colorado Springs. Notes for Lucelia "Cille" Roberts:

edited for privacy - Lucelia Roberts Pollock (103) died peacefully Sun, Sep 13, 2020 surrounded by her family. "Cille" was many things to many people, a daughter, wife and mother, a supportive sister and aunt, caring grandmother and great-grandmother, a dear friend and kind neighbor. Named by her grandmother Hannah Rees- she was born Apr 18, 1917 in Red Granite, WI. Lucelia was the daughter of Welsh immigrants, William Roberts of Llithfaen (North Wales) and Hannah Jane (Rees) Roberts of Swansea (South Wales). Lucelia was the third of six daughters known as the "Roberts Girls". Growing up during the depression her job was to help her family and together they turned their entire backyard into a garden. The vegetables fed their family and they always set out food for others that were in need. She attended Kenosha schools and graduated from Kenosha High School in 1935. Cille's first job was helping to assemble the initial Snap-On Tool catalogs. After high school she took a fulltime job working at Snap-On on a punch machine that made leather toolkits...a real Rosie the Riveter. At Snap-On she met her future husband John "Jay" Pollock who worked in the shipping department. After the start of WW-II, Jay enlisted in the Marines 6th Division. While Jay was stationed overseas in the South Pacific Islands for 39 months, they exchanged many love letters. When Jay returned from war, they were married Dec 9th, 1944 at First United Methodist Church, Kenosha WI. Lucelia was a devoted mother of two children, David and Kathleen. She was involved in their lives and became the first PTA president for Sunnyside Elementary, organized Kenosha Band Boosters and was involved in scouting. Cille worked for 12 years in the Kenosha Public Schools helping to start a program for children with special needs. In 1967, Jay's job moved them to Ottawa, IL. Jay worked as the Plant Manager at the Snap-On Distribution Center and Cille took a job working at The Daily Times Newspaper. They loved their 20 years in Ottawa. Lucelia was an excellent homemaker and seamstress - sewing many of her children's clothes. She also loved to cook and entertain guests. If you attended an event at her house, you knew it would be special and also decorated for the holidays. She was blessed to be able to travel and visit new places. A trip to the British Isles was special because on this adventure they went to Wales to reconnect with their Welsh Roberts relatives and find her father's home in Llithfaen. Another favorite pastime was camping. This was a way for her and the family to spend time together. She would pack up their heilite trailer to visit State and National Parks traveling the entire USA. Cille loved Door County, WI. Her first trip to the area was in the 1940's and from there it became an annual trip that carried on for many years and generations. Cille enjoyed her last vacation there with her family this summer. Her passion was to care for her family. As a Mom, Grandmother, and Great-Grandmother she rarely missed an event. When invited, she was spontaneous and her response was always "Yes, what time should I be ready?" She was a lifetime member of OES Chapter 92, JUS Club, SPI bible study, United Methodist Women's - Rachel Circle, Welsh National Gymnastics and Bradford Alumni. Aside from her parents and husband, she was preceded in death by her son, David B. Pollock; and four sisters, Laura Margaret Roberts, Dorothy Lawell, Bronwen Keuck, and Helen Keedy.

Notes for Harley Lee Hamlin:

Bio-sketch by family member:

In a world often consumed by materialism, Harley L. Hamlin stood out as a man who loved his family more than his belongings. Happily married to his one true love, the proud father of six children and the doting grandfather of 11 and great grandfather of 7, Harley lived each day as though it was the best day of his life. He was very family-oriented and worked hard all his life to be a good provider. In 1926, life was good in the United States. Although a revolt in Nicaragua found military troops being sent to help preserve order, Americans were enjoying relative peace and prosperity. WW-I was over and the Great Depression had not yet threatened the U.S. workforce. However, the most special event of this year for Albert Hamlin and his wife, Lila (Hoyt), of Glenn, MI, was the birth of their son, Harley Lee, May 7, 1926. Sadly, his parents were informed that little Harley was born with a bad heart valve and would probably only live to the age of 10. He certainly proved them wrong and lived a full and happy life for 79 years. Harley was the third of five Hamlin children, all of who were about 7 years apart in age. He had two older sisters, Letha and Ella, a younger sister, Bonnie, who died at birth, and a younger brother Boyd, who he was always very close too growing up since his sisters were quite a bit older than him. In Glenn, Harley's family owned a small farm, where they raised chickens, grew vegetables in the garden and farmed fruit from their orchards of peaches, grapes and cherries. Much of their harvest went to feed their family, though there was always enough grapes and peaches to be sold. Living on a farm, Harley learned at an early age the value of a hard days work. Besides farming, Harley's father alsoworked at Everett Piano Factory in South Haven while his mother was busy at home, farming and caring for the children. During the summer months, their home was even busier since it became a hotel to many vacationers from Chicago. Harley enjoyed a typical childhood, playing softball and going to school. He liked school and remembered how the students were required to take turns in helping to prepare hot lunches for the other students each day. Like many young boys of the time, Harley left school after the 11th grade and went to work at the piano factory his father worked for. He wasn't there long, however, before he took a job as a semi truck driver, which became his lifelong career. As a teenager, Harley developed a love for cars and the need for speed. His cars were not only "cool" looking, but fast! In fact, in order to escape the police from catching him, he would hide his car in the garage and spray the engine down with the garden hose to quickly cool it off before being caught. It was his "hot car" that got Harley noticed by a girl named Beverly. While he was out cruising one night with his friend, Art, they met up with Beverly, who began dating Art. Although Harley was dating a young lady named Peggy at the time, he showed up at Bev's without Art one night and Bev realized that Harley was more her type and they began dating. Soon after, Harley learned that Peggy was pregnant and did the honorable thing by marrying her. Their marriage did not last, yet Harley came away with his son, Gerald. Harley found his way back to Bev, who became his lifelong love and partner. After dating for a 1 ? years, they were married Sep 24, 1949, in the home of Rev Tenhouten, who also officiated the wedding. While Harley was on the road trucking, Bev worked as a telephone operator until their children were born. The couple had five children: Charles, Linda, Tom, Ritchie and Albert, each of whom brought another incredible blessing to the Hamlin household. In 1956, Harley moved his family to Kalamazoo to be closer to

Generation 10 (cont.)

his work, but later in 1967, they moved to Mattawan, where he and Bev raised their children and reside to this day. Harley's family was always his first priority. As parents, he and Bev instilled good habits and strong values in their children that would guide them through their lives. Harley prided himself on teaching his kids the importance of honesty, responsibility and working hard, principles that were always important to him. Very protective, he often told his family "I am not a squealer", but if someone is dishonest or trouble, he made sure they weren't around his family. Despite his job keeping him away from home a lot, Harley's children adored him and couldn't wait to hear their dad's truck coming down the road. Bev still remembers the boys yelling out "Here comes Daddy's OooHhh AaaHhh!" They were always thinking of him, including the time they were given money to spend at the store and instead of coming back with candy for themselves, they got their Dad cigars. Time together as a family was always important, and every year they took a vacation. Though their destination may not have been far from home, it was the treasured moments together that made it fun. One year, Harley bought a boat to take his family fishing, which turned into quite a disaster. First, they forgot to put the plugs in the drain holes, so the boat filled with water. Then, once the boat was afloat again, the engine wouldn't start and they had to row to shore. Needless to say, this did not become a favorite family pastime. Although Harley retired at the age of 53, he never really "retired." In fact, the Teamster Union finally told him if he didn't quit working so much they were going to take his pension away. So Harley slowed down, but found other work to keep him occupied. He loved to tinker in his garage and was good at woodworking. Some of his projects included wishing wells, donkey carts, silhouettes, shelves, wastebaskets and even a seat for his niece's golden retriever. Harley still loved to cruise around, but instead of a car, he sported a Harley Davidson and later a Honda. He was a member of the Gold Wing Road Riders, the Moose Lodge and at one time was involved with a group called the State Troops, which was similar to the National Guard. Harley was a big fan of westerns or drama shows on television and listened to country western music with Elvis at the top of his list. Harley had heart surgery in 1992, and made a very strong recovery. However, about 2 ? years ago, he began having problems with his kidneys, causing his health to decline ever since. In Jun of this year, Harley was diagnosed with a rare blood disease, which he fought with dignity and determination, but ultimately, it took his life. Harley Hamlin was a modest man, yet proud of all his family. He was devoted, caring and loved life. He will be greatly missed by all who knew and loved him. Harley Lee Hamlin died Wed, Oct 19, 2005, at his home in Mattawan. Harley was preceded in death by three sisters: Letha, Ella and Bonnie. He is survived by his wife, Beverly, of Mattawan; six children: Gerald (Becky) Hamlin of Ft. Meyers, FL, Charles (Jeannie) Hamlin of Sturgis, Linda (John) Ranes of Kalamazoo, Tom Hamlin of Katy, TX, and Ritchie and Albert Hamlin, both of Mattawan; a brother Boyd (Peggy) Hamlin of Portage, 11 grandchildren, 7 great grandchildren; and several nieces and nephews. Charlie never stopped telling his family how much he loved them, and this love was happily reciprocated by them and by his many nieces and nephews. He also made the spouses of his children feel like integral parts of the family. He had many friends at The New England Club where he lived for the last three years. It was there that at age 90 he succumbed to peer pressure and got his very first pair of jeans! He was known for his dry sense of humor, his smiling eyes, and his fancy suspenders. All who knew him can attest to his unselfish and caring personality. Charlie was a rare combination of strength and gentleness and he will be sorely missed by all. An accomplished cook, Jayne had cooking certifications in Thai, Japanese, Chinese and French cuisine. She especially loved to bake, being famous for her honey pecan squares. She found great happiness at work in her kitchen experimenting with various recipes, as well as in attending multiple cooking and baking classes, especially with her daughter Leslie. Jayne travelled extensively throughout Asia, Europe and the Pacific, naming Hong Kong, Bangkok and Sydney her favorite travel destinations. It was New York City, however, that held a very special spot in Jayne's heart---her love for NYC and its vibrancy was unparalleled. She owned a second home in the Sutton Place neighborhood in Manhattan for over 45 years. She loved to walk the City for hours on end and take advantage of all it had to offer, including but not limited to the arts, fine dining and exploring her favorite neighborhood, Chinatown, where she always found any ingredient she ever needed for cooking the Asian cuisine she loved. Her volunteer work was extensive and spanned decades, working on behalf of numerous organizations, starting with a Cincinnati orphanage in the 1940s. Additionally she volunteered at the Easter Seals Rehab Center in Stamford and in New York City, putting her special touch on lunches she served to first responders at Ground Zero after the 9/11 attacks. She was also a dedicated member of the St. John's Roman Catholic Church in Darien for many years. Jayne loved to entertain and was well known for her great New Year's Day open houses and the "Derby Day" parties she threw with her son Scott throughout the years. In addition to her daughter Leslie, she is survived by many nieces and nephews, as well as numerous close friends of all ages who found a supportive, encouraging and accepting friend who was herself ageless and fun, with a great sense of humor. There are no calling hours and all funeral services will be private.

The only period during which they did not live in Isabella County was spent in Coleman, MI. Ansalem had taken a bakery there in payment for money loaned. Eli and Etta went to Coleman

Generation 10 (cont.)

to live. Eli learned the bakery business from John Smith the husband of his sister Myrtie. During this time Eli contracted typhoid fever and almost died. They lived upstairs over the bakery and at this time a very bad fire raged around the building. Eli could not be moved so the men concentrated on saving the bakery by throwing water on the roof so it would not catch on fire. At one time he was the owner of a harness racing horse. He trained and entered this horse at a track in Ithaca. The horse was a pacer. Percy, his son, said the horse always broke stride and fell when it raced with other horses. Finally, Eli sold the horse. At another time he went out west to buy some registered Herefords. He rode with the cattle in the box car. The officials, warning of dangerous vagrants, told him not to open the door for anyone. A few men tried to get in. The Herefords eventually contracted Bangs disease from a neighboring herd. They had to sell the cattle for slaughter. They never tried to build the herd back up. Irene (his daughter) remembered the huge batches of molasses cookies he made with sugar sprinkled on them and raisins in the middle. She also recalled special occasions when her dad made enormous batches of taffy and "pulled" it from a large hook that was on the back porch near the kitchen door. Etta died May 4, 1920 of influenza. She was 42 years old. At the time of her death Percy was 14, Irene 8, and Ansalem was living with them. Percy (Eli's son) recalls his grandfather Ansalem saying, "We have a cook a coming, a cook cooking, and a cook leaving." Eli and Etta had two children: Percy Ansalem Hamlin and Hazel Irene Hamlin. Eli married 2nd Addie Altenburg Hawkins, May 5, 1923. She had two children. She was born Jul 18, 1883 and died March 9, 1962. She is buried in Perrington, MI. Eli and Addie had no children. Eli died Feb 20, 1962 of a heart attack and was 81 years of age. He and Etta are buried in the Coe Twp. cemetery in Shepherd, MI.

Notes for Hazel Irene Hamlin:

By Percy Jay Hamlin

Irene was almost 8 years old when her mother died. Her father remarried when she was 11. Her stepmother had a son 3 years younger than Irene and Irene remembered well how she took the blame for her stepbrother's pranks. Her stepmother did not like farm life or farm people for that matter and so she divided the Carpenter family from the Hamlin's at this point. Soon after their marriage, Addie and Eli moved into Shepherd into the stone house on Main Street where they lived all the rest of their lives. Irene became "citified" and soon began to scholastic interests. After high school graduation in Shepherd, Irene attended Wayne State University and graduated with two degrees in education. She taught in Detroit and continued to work at the university. She proceeded along these lines with the encouragement of the Altenburgs, going to Ecuador on a teaching grant. May 18, 1949, she married Thayer Waldo in Gauyaquil, Ecuador. They divorced in 1954. She taught in Detroit and continued to work at the university until 1972, when she was forced to take early retirement because of poor health. After retirement, Irene moved back to the farm and built her apartment annexed to the house of her brother. Here she spent her days working with the Shepherd Historical Society, her kitties, and the families of her brother. She became interested in getting family histories together. She kept notebooks of dates and facts. In the last few years she traveled to Virginia to search for Hamlin information. She also had a genealogist searching countries and church records in England for material on the Hamlin's. She tried also to find out about the Carpenter family of her mother. She attended all their reunions and became quite close to the family after her retirement. Irene wrote a biography of her life (copy available, contact compiler). Irene had no children.

Turkle writes, "In writing, I use all sorts of tricks to capture the attention of my young audience: suspense, humor and even charm, when I can muster it. But no matter how successfully I may entertain, I am really up to something else: subversion. My abilities are implacably lined up against the hypocrisy, materialism and brutality that so pervade our society. As my readers leave childhood behind, I hope that they will carry with them an appreciation for such alternatives as integrity, mutual respect, kindness and reverence for life. These alternatives are in my books and I pray that exposure to them will play a part in the construction of a better tomorrow." *Journal North* (New Mexico) - Oct 11, 2003

After graduation, Linville spent the summer helping a family rebuild their home that had been lost in a fire. His residence consisted of a hay bed in the barn. Looking for a warmer place for the winter, and

Generation 10 (cont.)

three meals, he joined the Navy Oct 29, 1940. Upon completion of Boot Camp in Great Lakes, Illinois, this young sailor received his first assignment to the USS Texas in Norfolk, VA as a Gunner Mate on fourteen-inch guns. The ship cruised the southern island and was later responsible for escorting troops to England. In Mar of 1942, Linville was transferred to the USS South Dakota and was there when the ship was first commissioned Mar 20, 1942. While on the USS South Dakota, he and his fellow crewmen were involved in the largest air battle in WW-II, the Santa Cruz, as well as the largest sea battle around Guadalcanal. In Linville's words, "The South Dakota was a real fighting lady". Of course, this is validated by the fact that the South Dakota saw more action than any other ship in the fleet. In Jun of 1944, Lin was transferred back to the States to complete training, and soon sent to Quincy, MA to join another ship, the Springfield. Again, in Linville's own words, "While the Springfield was being built, I met a nice young girl named Rita Ann Palma and we got married Nov 17, 1944 in New Port, RI". Once the USS Springfield was commissioned, he was on the shake down cruise then sent back to the Pacific, where they were involved in the air battle around Okinawa in Apr 1945. The USS Huntington would be his next assignment, in which he participated in her shake down cruise. Linville was transferred back to Great Lakes, IL, and after six years, twenty-two days of Navy service on several ships, he was discharged in Nov 1946. After the war, Linville and Rita returned to Olathe to raise their six sons. Linville then joined the Naval Air Station in Olathe, where he remained in the regular Navy. He retired from the Navy Sep 20, 1960 after completing 20 years of service. After a short time, he joined the Civil Service, where he completed 20 more years, and retired in 1980. The next phase of life was spent working small jobs, but he didn't want to be tied down; he and Rita wanted to travel a bit and relax, which they did until Rita became seriously ill. She underwent a heart transplant in 1987. After celebrating 50 years of marriage, she died Nov 27, 1994. The final seven years of his life were spent with his wife, Dee Andres, who survives him at the home. Surviving are his wife, Dee Hamblin, his sons John (Carol) Hamblin, Mike (Wendy) Hamblin, Rick (Shelly) Hamblin, and Joe (Pamela) Hamblin, twelve grandchildren, twelve great-grandchildren, sister Pauline Ash, and brothers Estelle Hamblin, Elvin Hamblin, and Dennis Hamblin. Preceding him in death are his parents James and Mary Gertrude Hamblin, sons Linville Hamblin, Jr. and Stephen Wayne Hamblin, grandson Brian Hamblin, brother Leonard Hamblin, sister Nadine Junkin, and his wife of 50 years, Rita Ann Hamblin.

Elvin M. Hamblin, 91 of Olathe, KS died Apr 4, 2017, he was born Jun 15, 1925 in rural Sinclair County, MO to James and Mary Gertrude Hamblin. His father was a farmer and they moved every two or three years to farm better land. Over the years he attended several rural schools like Shiloh, Bethelhem and Pretty Bob. His teacher at Shiloah school was Eloise Ahrens. She became his sister-in-law when she married his older brother, Estel. He was attending Deepwater Missouri High School when WW-II broke out. His three older brothers were in the military – one in the Army, one in the Navy and one in the Army Air Corp. His mother did not want him to be drafter so she sent him to Olathe to work on her father's farm. He worked for Uncle Clark Draper for one year. Then his friend, Cliff Toynbee, was called up to take his physical for the draft. Elvin decided to go and enlist with him. Cliff failed the physical and was sent home. Elvin passed and was sent to Fort Hood, TX, for basic training. He was sent to Okinawa and was in heavy combat there. He was there when the A-bombs were dropped in Japan. After the war ended, he spent a year in South Korea in the Army of Occupation. He came home in Sep 1946 and got a job driving a taxi in Olathe where he met Juanita. They were married June 28, 1947. He worked several jobs over the years – Hyer Book Company, Vita Craft Corporation, Railway Express, 7-Up truck driver and Standard Gas Station attendant. In 1969 the opportunity to go to work for the Olathe Water Plant came up and he worked there for the next 23 years retiring in 1989. He built a log cabin on the Lake of the Ozarks. He ordered a log cabin pre-cut from Durango, CO. He was so proud of that cabin. He and his best friend, Ed Colson, worked on the cabin as well as the Colson's cabin and they had a great time doing it. He became a member of the 1st Methodist Church in the 1990's and always said he never volunteered for anything. The pastor questioned that statement because he was always doing something there. Elvin explained "I never have to volunteer, Juanita takes care of that and keeps me busy." His favorite hobby was keeping the lawn beautifully cared for and gardening. He is survived by his wife Juanita, daughter Linda Hoffman, sons David and Marvin. Also surviving him are his eight grandchildren Cathe York, Becky Vaughn, Marida Cutler, Chad Hamblin, Trisha Stevenson, Natalie Morrison, Mathew Hamblin and Katie Hamblin, ten great-grandchildren and three great-great-grandchildren along with one sister, Pauline Ash of Clinton, Missouri. She married **Elmer Stanley Hash**, son of Arthur Estil Hash and Rose America, on 01 Jun 1946 in Roanoke, Independent Cities, Virginia, USA. He was born on 30 Dec 1921 in Harlowton, Wheatland County, Montana, USA. He died on 07 Aug 2018 in Claremore, Rogers County, Oklahoma, USA (Oklahoma Veterans Center).

Notes for Marguerite Alma "Margie" Hamblin:

Marguerite "Margie" Alma (Hamblin) Hash, 96, passed from this life peacefully at Green Tree Assisted Living & Memory Care in Sand Springs, OK Jul 15, 2022. Margie was a kind, loyal, wife, mother, and grandmother and was loved by many. She was married to Elmer for 72 years before his passing in 2018. born Feb 20, 1926, in Roanoke County, Virginia, Margie was the youngest of eight children born to Floyd Newton and Maggie May (Allen) Hamblin. She attended grades 1-12 there with interests including art, drama, and dance before graduating from William Fleming High School in 1944. Margie met the love of her life, Elmer, while in high school in about 1941, through mutual friends at the Lee movie theater in Roanoke. Their entire courtship was surrounded by wartime events of that day including the Japanese surprise bombing of the U.S Naval Fleet at Pearl Harbor, Hawaii Dec 7, 1941, after which the U.S entered WW-II on both the Pacific and European fronts. Margie and Elmer dated until Elmer was inducted into the Army in Nov 1942, corresponding regularly by handwritten letters, reuniting when Elmer had leave from his eighteen-month stateside Army training. Elmer, with the 79th Infantry, departed by transport ship to England in Apr 1944 in preparation for the historic "D-Day" invasion of France at Normandy Jun 6, 1944, to fight the German army. Margie completed high school and graduated with honors during this time. She lived at home

Generation 10 (cont.)

with her parents, working in the radiology department at Roanoke Memorial Hospital, unsure if she and Elmer would ever again reunite, or if she would have to bear the harsh tragedies of war. Elmer went ashore at Utah Beach about Jun 12 and spent 13 months in combat throughout France and Germany until the Allied Forces defeated the Germans in May 1945. While overseas, he and Margie maintained faithful and constant contact with one another through many letters. Elmer fortunately returned home and was honorably discharged in Nov 1945. He and Margie married in Roanoke, Virginia Jun 1, 1946, in a home wedding. Margie was twenty and Elmer was twenty-four years of age. They embarked on their life together not knowing they were part of what is now referred to as "The Greatest Generation." In Oct 1946, Margie and Elmer made their post-WW-II home on a small land tract consisting of four building lots on Martin's Lane on the outskirts of neighboring Salem, Virginia. During this post-war era, with family assistance, they built a small "shotgun" single bedroom home (i.e., all rooms in a single line arrangement...kitchen, living, bath, one bedroom), adding a second bedroom later to accommodate their growing family. They reserved one adjacent lot for a future building site, eventually selling the remaining two lots. They settled into this first home and had two sons, Steven (1952) and Mark (1956). They eventually built a new, modest, three-bedroom brick home on the adjacent lot in 1965, fulfilling their dream, just as planned. Once her boys reached school age, Margie went to work at various secretarial positions for the local schools, advancing to administrative assistant to the superintendent of the county school system. She was loved dearly by all of those with whom she worked as well as by many students. She was a devout Christian and active in her church in the early years serving as both teacher and chair of numerous committees. Margie retired from the Virginia School System in 1979 and eventually she and Elmer moved to the Tulsa, OK area to be closer to family. After retirement Margie and Elmer enjoyed several years of golfing and travel. Margie loved her family, preparing their favorite recipes, visiting her grandchildren, and sewing special projects for them. She enjoyed her yard and caring for her flowers... pansies were always her favorites because she "loved their little faces." In the 1990's Margie enthusiastically took on the challenge of the personal computer and email and learned to correspond with family, play games, and read the news. Sewing was her primary lifelong hobby. In the early years she sewed for others for supplemental income, designing and creating career clothing for other women as well as for herself, and becoming highly skilled in design, alterations, and tailoring. She sewed for her family, tailoring complicated pieces perfectly for her husband, children and grandchildren, guys and gals alike. In recent years, for fun, she did alterations for other residents in her care facility and for many of the staff as well. She produced many beautiful garments and performed countless repairs and alterations through the years. Margie also enjoyed her quilting group at her church, making quilts for the less fortunate. It was one of her ways of giving to and loving others. Margie will be missed by those who knew her, and we are comforted by the firm understanding that she now rests comfortably with our Lord after serving those around her for so many wonderful years. thank you, Mom, for the wonderful, caring years and for your shining example. We love you! "Job well done thy good and faithful servant." (Matthew 25:21) Margie is survived by her two sons, Steven (Connie) Hash, Sand Springs, OK; Mark (Janet) Hash, Dublin, OH; grandchildren Stefanie (Hash) Miles, Dallas, TX; Stuart Hash, Sand Springs, OK; Caitlin Hash, Columbus, OH; and Alex Hash, Dublin, OH. Margie was preceded in death by her husband Elmer Stanley Hash, her parents, her brothers Hubert, Thurman, Curtis and James Hamblin and her sisters Evelyn Carter, Mary Bridgemen & Lois Burnette. A private service for the immediate family will be prior to her cremains being returned to Virginia to rest with her husband Elmer at Sherwood Memorial Park in Salem.

Notes for Elmer Stanley Hash:

Elmer Stanley Hash, 96, passed from this life peacefully at Oklahoma Veterans Center in Claremore, Oklahoma Aug 7, 2018. A veteran of WW-II, Elmer was a kind, loyal, loving, man... a family man to the core, married to the great love of his life, Margie, for 72 years, proud of his sons and his country. born Dec 30, 1921 in Harlowton, MT, Elmer was the youngest of three children born to westward pioneers Arthur and Rose Hash. When he was three years old his family returned to their roots in the mountains of southwest Virginia, where he lived most of his life. He attended Andrew Lewis High School in Salem, Virginia and in Nov 1942 he was inducted in the Army. After training stateside, his division, the 79th Infantry, departed from Camp Myles Standish, Massachusetts, for transport by ship to England in Apr 1944. They arrived near Liverpool, England later that same month for training in amphibious operations, before landing on Utah Beach, Normandy, France, about Jun 12, one week after D-Day, to fight the German army. Elmer marched across Europe with his comrades, fighting to drive the German army across the Rhine River, before returning home to Virginia to be honorably discharged in Dec of

Generation 10 (cont.)

1945. He often told the story of taking a glorious bath in the Rhine River after learning that the war was won and that his Division was going home. He obtained the rank of Staff Sergeant and was awarded a Bronze Star for his service. While overseas, he maintained faithful, constant contact through letters to his sweetheart and returned home to marry Marguerite (Margie) Hamblin in Roanoke, Virginia Jun 1, 1946. Elmer was a brave and loyal soldier, a Christian man, as well as a patient and father and husband. After his military service he continued to work for the federal government, first as an employee of the U.S. Postal Service and then at the Veterans Hospital in Salem. Elmer never met a stranger and enjoyed talking to everyone he met. He loved to work around his home, play golf, and watch his sons play high school sports. He marveled at the changing world, and enjoyed capturing all he could in photos. Elmer is survived by his wife, Margie of Sand Springs, OK; son Steve and daughter-in-law Connie (Sand Springs); son Mark and daughter-in-law Jan (Dublin, OH); and four grandchildren, Stefanie (Dallas, TX), Stuart (Sand Springs), Caitlin (Charlotte, NC) and Alex (Athens, OH). Mother devoted most of her life to the Lord and she taught her children values based upon the Bible. She never doubted His love and mercy, even during her lengthy illness. In 1986 she won a silver medal in the Senior Olympics Walking Division. In 1996 she won First Place in the State Senior Adult Talent Keyboard Division of the Church. Her daughters, Theda Ritter, and Margaret Ann Woods, will lovingly remember her and deeply miss her. The love for her son-in-law, David Woods, was as great as the love for her own son. She was Grandma to Jason Ritter of Richmond and his wife, Mandie, and Ashley Johnson and her husband, Landon, of Salem, and she was G-Ma to Jamie Ritter of Norfolk, all of whom she adored. Hayley Ritter, her "little doll," and Andon Ritter were her greatgrandchildren. As an avid crocheter, she gave many of her projects away to expecting parents and kids all over the tri-state area. She retired from Cabell County Schools as a Head Cook some 20 odd years ago - but that never stopped her from cooking for anyone who needed to be fed. With a heart of gold, Clara was a caretaker for many years for any family that needed her. She also had a special relationship with her granddaughter, LaCandace, who was by her side until the very end. She was preceded in death by her parents, Lakie and Bert Ballengee, her brothers, Don, Dale, and Andy Ballengee, one sister, Helen Loftis, her husband, Lloyd Hamlin, and two sons, Bert and Dennis Hamlin, and special friend Phyllis Doyle, all of West Virginia. Their bond was a testament to the deep love and connection he shared with his family. Wade married the love of his life Dec 5, 1964. Theirs is a love story for the ages that stands as a testament to the enduring power of love. Their journey began amidst the bustling halls of a hospital in Richlands, Virginia, where Wade worked filling Pepsi and candy vending machines. It was within these very walls that he crossed paths with Alice Juanita Eggers, a student nurse whose beauty was matched by her compassionate soul. In a whirlwind of love and devotion, their hearts intertwined, and within three months, they pledged their lives to one another in matrimony. For an extraordinary 59 years, their bond only grew stronger, their love serving as a beacon of hope and inspiration to all who were fortunate enough to witness it. In 1969, they moved to Aurora, IL, where Wade

A devoted follower of the Yankees, he cheered on his beloved team with unwavering loyalty. Additionally, he became a fervent supporter of local high school football games where he and Aron shared many Friday nights cheering on the teams. Beyond the confines of their home, he and Nene embarked on adventures near and far. Just last summer, at Cooperstown's New York, Wade check marked the National Baseball Hall of Fame and Museum off his bucket list. A man of unwavering faith and deep humility, Wade exemplified the essence of Christian devotion, transcending denominational boundaries with his profound connection to God. His unwavering trust in God's guidance and providence was evident to all who knew him. His faith was not confined to the walls of any church, for he carried the presence of God with him always. Though his earthly journey has come to an end, his legacy of kindness, humility, and unwavering faith will forever illuminate our lives. He died on 21 Sep 1982 in Roanoke, Independent Cities, Virginia, USA.

Wiley Blake Buchanan I and Annie May Belle Collins had the following children:

- i.  Wiley Blake¹¹ Buchanan II was born on 11 Feb 1931 in Giles County, Virginia, USA. He died on 19 Jan 2022 in Eggleston, Giles County, Virginia, USA (on the family farm). He married **Mary Ella Hedrick**, daughter of E B Hedrick and Ella H Hedrick, on 15 Nov 1958 in Guilford County, North Carolina, USA. She was born in Sep 1940.

Notes for Wiley Blake Buchanan II:

Wiley Blake "Buck" Buchanan Jr of Staffordsville, VA, died peacefully on the family farm Wed, Jan 19, 2022, just a few days shy of his 91st birthday. He grew up on his parents' farm in Giles County, VA, during the worst of the Great Depression, and graduated from Eggleston High School. Buck saw much of the world, primarily while serving his country in the USAF air police (and as an honor guard escorting diplomats) - first at Egland AFB, FL and several years at Itazuke AFB near Fukuoka, Japan during the Korean War. He would sometimes hop on bomber flights over Korea, courtesy of his pilot friends ("exciting... but not the smartest thing I ever did"). Buck always showed kindness to the native Japanese workers who assisted the U.S. military, often sharing his rations ("because it was the right thing to do") and then facing frequent KP duty. Unbeknownst to his siblings, Buck sent his entire paycheck home to support his parents and siblings. For pocket money and to buy gifts to send home, he did laundry and shined shoes for other members of his squadron. This information was revealed to his daughter many decades later at a reunion of the 6160th Air Police Squadron by one of his squad mates. Family always came first to Buck. After military service, Buck attended Bluefield College but dropped out to work after his father became ill. He later earned certificates from Southwest Virginia Technical (Community) College. After working for Timberlake Hardware Company and the Norfolk & Western Railroad, Buck worked 35 years for Appalachian Power Company (and farmed another six to eight hours a day, seven days a week). Buck married the love of his life, Mary Ella Hedrick Buchanan, in 1958. Together, they raised five children and got all of them through college (and some through grad school) - three sons graduated from Virginia Tech (one added a Washington & Lee Law degree), one daughter from Emory & Henry College, and one daughter from the University of Virginia (two degrees). Buck and Mary also helped raise other children. Buck was the only real father some of them have ever known. He deeply cherished his family (both blood kin, honorary and extended), most especially his grandchildren. He gave many tractor rides, instruction on riding 4 wheelers, shooting lessons, harvesting hay, cattle and sheep feeding, and wove tales of yore. Buck said that his worst trip was on a 1950s military transport ship from Japan to San Diego "where land was \$25/acre" (wish he had farmed there!). "Seasickness nearly killed me but a friend from the officer's mess would smuggle out fresh fruit and that's all I could stomach." He never wanted to take a sea cruise thereafter. His young family did enjoy many trips to the Smoky Mountains, Texas, New York / New Jersey, as well as Myrtle Beach, SC and Destin / Ft. Walton Beach, FL.... where they caught a lot of blue crabs with chicken necks (saltwater fishing with Zebco rods and reels proved less successful). Our family property along the New River at Eggleston, VA also provided many fond memories. Buck was a quiet

Generation 10 (cont.)

and humble man -- he once carried an injured APCO coworker a mile through waist high snow drifts, off the top of Bald Knob (top of Salt Pond Mountain at Mountain Lake) during a blizzard; on another occasion he went back into a burning house near Newport, Va. to retrieve the elderly owner's cherished rifle; more than once he took a loaded gun away from an armed man. He never shared any of these stories... we only heard them from a fireman or other person... but never from Buck. That's just the way he lived his life. Perhaps one of his bravest forays was helping take some of his grandchildren to Disney World during a few sweltering Oct days in Florida! He was a member of the Independent Order of Oddfellows Wabash Lodge 189, Past member of the Triangle Ruitan Club, member of VFW Post #6000 and American Legion Post #68 in Narrows. Buck is survived by his wife of almost 64 years, Mary Ella Hedrick Buchanan; his five children, Thomas Blake Buchanan (Kim) of Huntersville, NC, Kenneth Edward Buchanan (Tracy) of Pearisburg, VA, Phillip Hoge Buchanan (Kate) of Durham, NC, Anna Buchanan Martin (George) of Christiansburg, VA, and Ella Jane Harvey Buchanan of Staffordsville, VA; and grandchildren, Tyler Buchanan, Josalyn Buchanan Bell (Evan), George Buchanan, Blake Buchanan, Holden Buchanan, Graham Buchanan and Jim Blankenship. Buck's kindness to others was returned to him by many caring members of his community in his later years. He also experienced lively, humorous, conversations and was treated with dignity and respect through the special relationship he had with his caring angel, Angela Shrader, who he considered another daughter. Your work is finally done Pops... it's high time to go play.... and please give our loved ones lots of hugs until we can do so with you. Services will be Sun, Jan 23, at 3 p.m. at the The First United Methodist Church in Pearisburg, VA, with Charles Henderson officiating.
